**GERSHON, United States District Judge:**

By order dated September 28, 2005, the court granted summary judgment to defendants Jewish Board of Family and Children's Services, Inc., Jeffrey Clarke, Arlene Bishop, Esther, the Staff at Maple Street, and Lionel Young, and denied plaintiff's request to conduct additional discovery with respect to those defendants. Subsequently, the court received a letter from plaintiff, dated November 3, 2005, which sets forth various reasons why he "disagreed" with the court's decision. The court will construe this letter as a motion for reconsideration of its September 28, 2005 order. Since the letter does not identify any relevant facts or provisions of law that were overlooked by the court, the motion for reconsideration is denied.

Should plaintiff seek to appeal the court's decision, he is directed to contact the court's Pro  
See Office for guidance concerning the procedures and forms that he must utilize.
